

PART I INVITATION TO TENDER

Nanaimo Port Authority 'D' Float Replacement

Sealed Bids, clearly marked “D’ Float Replacement” will be received at the office of Herold Engineering Limited prior to 2:00 pm, Wednesday, April 6, 2016 and will be opened in public at that time.

The Project consists of the removal and replacement of the existing ‘D’ Float located in the Nanaimo Boat Basin. The works generally include, but are not limited to: the removal and disposal of approximately 33.1 m x 2.7 m timber floating walkway complete with creosote treated piles and embedded floating fingers; the supply and installation of a new 140.2 m x 2.7 m floating walkway complete with HDPE coated steel piles and four floating fingers as per the Drawings and Specifications or as per Bidders system that meets all requirements; the supply and installation of an HDPE potable water line; galvanized steel dry fire line with standpipes; electrical wiring and utility kiosks; the removal and replacement of existing creosote treated timber piles with new HDPE coated steel piles at ‘C’ Float.

Complete digital sets of Bidding Documents may be obtained after 12:00 p.m. (local time) on March 16, 2016. Interested Bidders are to complete the attached *Request for Documents* form to receive the Bid Documents.

Direct all queries to: George Hrabowych, P.Eng. Herold Engineering Limited 3701 Shenton Road, Nanaimo, BC V9T 2H1; Phone 250-751-8558; Fax 250-751-8559.

A non-mandatory site visit for Contractors is scheduled for 10:00 a.m. on March 30, 2016. The meeting place for the site visit will be at the Nanaimo Boat Basin, 104 Front Street, Nanaimo B.C.
